election will be held in Shelby county, on the 28th of August, for the purpose of ascertaining the will of the qualified voters in regard to subscribing five hundred thousand dollars stock to the Memphis, Holly Springs, Okolona and Selma railroad. If our enterprising citizens desire to secure this amount of stock, and the completion of this important road to Memphis, they must interest themselves and Impress upon the people the necessity of voting the proposed stock. The trade which this road will bring to Memphis is very large and it must be secured. Let our readers look at the inviting field before them which the construction of this road from Selma to Memphis opens out, and they will at once feel a deep interest in its completion. Shelby county must not made to her for aid. Let our people road, and what is the worth of the moderate subscription asked of them in comparison therewith. The completion of the Selma read to Memphis will at once bring an immense trade; hence, the value of city property and the lands in every portion of the county. Other cities and other roads are endeavoring to direct the road from Okolona to other quarters; and this will be done, unless our people subscribe the five hundred thousand dollars which is now submitted for

their approval or rejection. General Forrest, with that indomitable energy which has characterized its prosperity, that we must resort to mobile to diminish it. his life, has pushed forward his great enterprise until it is no longer a question of doubt. The road will certainly be built from Selma to Okolona, but whether it will come to Memphis or take some other direction, depends upon ourselves. When General Forrest first commenced the great work of building a road from Seima to Enacted. Any organized attempt Memphis it was regarded as a Utoplan drive them away from the town of building a road from Seima to Epacted General Forrest has no prejudice to work is State he would die to serve. All of To make our city the great commer-cial mart of the South, is his one all-absorbing thought. But, as President of the great road which he is rapidly go ahead! of the great road which he is rapidly pushing forward, he looks with a jeal-

Section 3. No person shall be a Senator or Representative in Congress, or elector Throughout the campaign, having of President and Vice President, or hold been made general of brigade baving previously taken an oath as a member of tongress, or as an officer of the commander-in-chief, an office the United States, or as a member of any analogous to that of Gneisenan under State Legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid and churred with the propagation of a plan charged with the preparation of a plan may, by a vote of two-thirds of to reorganize the army. Instead of, as has been suggested, lacking the imperial confidence, he has it in the THE Chicago Times thus promisions that tering degree. His essay ingly speaks of the prospects of Chicago: upon organization, L' Armee Francaso: case, published in 1867, ran through ten editions. Trochu is known to Brigham Young has prophesied that "a have anticipated the event of a war republican government is taking the United States to hell as fast as it could." United States to hell as fast as it could."
The prophesy is sustained by the present state of the weather, and it looks as though a route by way of Chicago had been chosen.

A recent painpanet from his pen, which unfortunately cannot be obtained in this country, though a route by way of Chicago had been chosen. field, and palpably indicates the national impulse as occupying the strategist's mind. Should the war survive its first battle a fortnight, and promise,

> Trochu's name may chance to appear at the head of the French armies." From the New York Herald, 24th.1 DISTINGUISHED ARMY AND NAVY OFFICERS ORDERED TO EUROPE. The Government has concluded to end to the Continent boards of army and navy officers to witness the operaand the naval movements in the North Sea and on the Baltie. In this the Government follows old

as seems very likely, to be a long one,

scientific officers were detailed by the leading European Powers to accompany our great armies and to join our fighting squadrons. The headquar-

tials to the French Minister of War, indorsed by Mr. Washburne. If Gen-eral Sheridan should fail in attempting to reach the French headquarters he will doubtless find no difficulty in joining those of the Prussian army, where he will unquestionably be able to witness plenty of fighting under the most eminent military leaders of the

times.

The Navy Department will send out a board, consisting of a Commodore, Captain, Commander and Lieutenant Commander, to observe the naval operations, which are likely to be of great importance, on the North Sea and Baltic. The officers to be selected will represent the cities of our naval service, gentlemen of the highest scientific attainments, of great experience and possessing powers of the
keenest observers. As our navy will
be represented at the scene of the conflict, some of the officers may accounpany our own yespeck but generally.

Payable ball yearly, invariably in atvance: lected will represent the elite of our b

flict, some of the officers may secompany our own vessels, but, generally, they will be expected to unite their fortunes with the combatants on their respective ships.

Commander Edward Simpson has already been detailed for this special duty, and the names of others are still under consideration, since the department desires to send out the very best men for the specific duties to be assigned to each one. It is not imwill proceed to Europe in person, Rear Admiral Radford is likely to

sail for Europe by the last of the month, and will be able to arrive at month, and will be able to arrive at

MISSISSIPPI NEWS

The Oxonian. office (Radical) is fered for sale. The United States Court has removed from Oxford to Holly Springs.

The Holly Springs Reporter gives a very gloomy account of the prospects for good crops in that section. H. C. Devine, a brakesman on the Mobile and Ohio railroad, fell from a down freight on Sunday night just above Okatibbe and was instantly killed. Both legs were cut off and his body horribly mangled.

The Goodman Star says: "We hear continually of our farmers losing horses and mules, by di-e uses cause from eating damaged corn brought here from the West and North. Perhaps this will teach our farmers the necessity of raising their own corn.' The Columbus Index says: "In the Circuit Court, Cato Davis, Jo. Hahn and Zuck Alexander, all freedmen, and the two first Major Generals in languages. So far as national sympa-thies go, the German population and the Flemish sections of Belgium have glary and convicted. The court will an intense aversion to France, while probably give them several years in the avowed purisans of an extension the Penitentiary."

The Panola Mar says: " After trip over some of the best lands in the county, we give it as our judg-ment, that the cotton crop is sorry, and unless everything is favorable from this tin von, there cannot be an average cott a crop raised. Corn

The Canton Mail states that are becoming quite numerous in the neighborhood of Beattie's Bluff, and it is not an uncommon thing for a shaggy skin to cross the river from Yazoo in the night, visit a hog pen, and return before the crack of dawn. Dogs frequently start them while run-ning deer, and some of the hunters have had shots at them.
